

# **I Am From**

## **By: Adrienne**

**I am from making great friends with myself. I am from trying my best. I am from trying to be brave. I am from hoping that I'll never be afraid of anything, but that's not going to happen.**

**I am from dreaming big and loving horses and dogs.**

**I am from having a sort-of-like sister named Emily and having an imaginary sister named Lisa.**

**I am from loving all animals and wanting all animals that exist.**

**I am from having a cat named Una, with one eye sealed shut and with no eyeball inside of it.  
I am from, in the summer, seeing too many snails get crunched and squished, yet I still try to help them.**

**I am from not knowing what a daydream is, and never having one (I think, actually, I'm not sure if I've had one before, since I don't know what they are).**

**I am from swinging on the swings at school and stopping myself from leaving the school grounds and starting a new life while I travel around the world all by myself.**

**I am from having a grandma that died when I was very young.**

**I am from loving to bake, from watching baking shows with my mom, and from looking at every single ingredient package to see if there are any recipes.**

**I am from every Friday night having what we call popcorn and poo poo movie night where we have finger bites in front of the TV and we sit on the couch and watch a movie while eating!! ("poo poo's" means finger food in a Hawaii.)**

**I am from having a friend named Zsafia with cute glasses.**

**I'm from loving animals so much that I started a team called, Saving Nature Fundraiser Team (S.N.f.T).**

**I am from just plain being me!!!**
