

I Am From

By Anna

I am from hearing bell noises because someone rings the bell at Freedom Park. I am from sometimes waking myself up and feeling happy because I see my mom in the mornings after she works late at night.

I am from having 2 grandmas and 1 grandpa. I used to have 3 grandpa's because my grandma Linda broke up with my Grandpa chas (Charlie ) and my other Grandma had Grandpa Ray who passed away and my Grandpa Vic passed away too.

I am from having a new baby cousin and trying to actually show him my new life for the first time.

I am from having a cat & 4 chickens. My cat is 10 and his name is Willis & my chicken's names are Lilac, Dash, Sunny, & Harmony.

I am from having a friend named "Zsofia" who likes to read, loves to dance and has 2 dogs and 2 cats and she also can make funny faces.

I am from feeling happy when I'm with Zsofia because I have been friends with her for along time.

I am from a mom who knows everything about me. She is like a friend. But a mom is your bestest friend. She is a Mom and moms are AMAZING! (Dads are amazing too.)
