

I Am From...
By: Zsafia Zold

I am from at the beginning of the year saying, “I can’t” but now I can.

I am from two teachers who teach me everything and their names are Mrs. Devora and Mrs. Barrie.

I am from having thirty-eight friends, including my teachers Mrs. Devora and Mrs. Barrie.

I am from loving my family and friends. **I am from** a loving mom, dad, and brother.

I am from loving to sing, dance, color, draw, and write.

I am from having a friend named Adrienne.

I am from loving Otters so much that I

I am from having the BEST time ever!
